'Orders from above': Dhruv Rathee, Ratna Singh detained by police

Source: TOI_Top_Stories

Ratna Singh, head of the Cockroach Janta Party legal team, claims she is being illegally detained by police. She reports being surrounded by over 25 officers who don't provide official notification for her detention. This situation unfolds shortly after YouTuber Dhruv Rathee was also detained at his residence. The police presence comes amidst heightened security measures prior to the party's planned protest on October 10.
