'Only openers' spots are permanent': Gambhir's clear message on India's batting order

Source: TOI_Top_Stories

India head coach Gautam Gambhir has backed the decision to promote Shivam Dube to No. 4 despite the all-rounder failing to make an impact in the second T20 International against the West Indies in Ranchi. Dube scored seven off 10 balls before being dismissed by West Indies off-spinner Roston Chase. However, Gambhir said India would continue to change their batting order according to the match situation, adding that only the opening positions are fixed in T20 cricket.
