

Emmy Awards 2026 in India: When and where to watch

Source: TOI_Top_Stories

The 78th Primetime Emmy Awards will stream live on JioHotstar for Indian viewers. Mariska Hargitay will host the prestigious television industry event. Viewers in India can watch the ceremony starting early September 15. 'The Pitt' leads nominations with twenty-five, while 'Hacks' follows closely. The awards will honor outstanding television productions across various categories.
