

Rick Hansen travelled 40,075 km by wheelchair, raising \$26 million

Source: TOI_Top_Stories

Rick Hansen embarked on an extraordinary journey in 1985, covering more than 40,000 kilometers to raise vital awareness and funds for individuals with disabilities. This monumental tour sparked a global movement advocating for accessibility, which continues through the Rick Hansen Foundation today. Their focus now includes programs on accessibility certification and fostering youth leadership, all aimed at building truly inclusive communities that everyone can enjoy.
